McKeel Academy of Technology
Community Service Project Hours Reflection

Student Name _____ **Student ID Number** _____

Graduation Year _____ **Name of Organization** _____

Student Reflection Instructions:

After completing your service experience, answer the reflection question below. Attach your completed reflection to the corresponding service hour log. Respond to each question with at least two full sentences. Typed responses encouraged. **A reflection is required for students submitting hours toward the Florida Bright Futures Scholarship.**

1. What social issue, community need, or area of support did your service experience focus on? Why was this important to you? [Include organization/agency name and total hours completed]

2. Briefly describe the service project, experience, or job you participated in.

3. Reflecting on your experience, what did you learn, observe, or accomplish during your experience? How do you feel it made a difference—to **others**, to the **community**, and to **your own growth**?
