

McKeel Academy of Technology Student Parking Information

PLEASE READ THIS IN ITS ENTIRETY!

There are two steps to getting a parking decal:

1. READ and complete the Google Form (link below) - completing this form is acknowledgement that you and your parent(s) or legal guardian have given permission for you to complete an application to park on campus.

<https://forms.gle/t9PhCzWjsEtYKYoe9>

2. Pay a \$25 parking fee (McKeel Office Online available after July 22nd)

If a student does not currently have a valid driver's license, **do not** complete the parking Google form or pay the parking fee.

Once both steps are completed, students will receive a response email, verifying completion. Your accurate vehicle information should always reflect which vehicle is on our campus. See Dr. Acocelli in the office if you need assistance. Your email address will be recorded when you submit the Google form. All students must receive a parking decal before parking on campus.

Students must park responsibly pulling in close enough to the previous car to maximize spaces. DO NOT BLOCK ANYONE IN! This is important in case of an emergency situation where a student might have to leave.

Students are not allowed to "hang out" in their cars; all students must exit their cars and walk to grade level designated spots or cafeteria for breakfast.

Upon dismissal, unless students are in an after-school activity, they are to go to their cars and leave the campus immediately. Failure to adhere to any or all these expectations may result in loss of driving privileges.

I understand that any loss due to damage or theft is not the responsibility of McKeel Academy of Technology. I further understand that the rules outlined in the Code of Conduct for Polk County and McKeel Academy of Technology Student Handbook will be strictly enforced and students will be responsible for adhering to these rules.

In addition, excessive tardiness or absences or irresponsible driving in the parking lot or around school may result in parking privileges being revoked.
